

Important Notice November 5, 2018: Holiday Scheduling – December 22, 2018 – January 1, 2019

To Our Valued Patients,

Mount Sinai Fertility will be reducing services over the holiday period at all of our locations. Please see below for site specific closures and how this may affect you.

Downtown - 250 Dundas St W.

Cycle Monitoring will continue at the downtown site, with the exception of December 25th and January 1st, as the clinic will be closed. Embryology and andrology services will be closed from December 22nd – January 1st inclusive. This is to provide opportunity for routine maintenance and upgrades.

Vaughan Location

Cycle Monitoring will continue at the Vaughan location. There will be no cycle monitoring on December 25th and January 1st, as the clinic will be closed.

North York and Mississauga Locations

These locations will be closed from December 22 – January 1st inclusive. They will re-open for Cycle Monitoring on January 2nd.
